Commissioner for Patents

Attached is an Interview Summary dated 12/7/2005. It is noted that the instant Application contains an IDS dated 8/25/2004 and which had been considered by the Examiner. The IDS of 8/25/2004 had been entered into the file in error and does not belong to the instant Application. The Examiner incorrectly considered the IDS and attached the considered PTO-1449 to the Notice of Allowance of 11/28/2005. The IDS needs to be removed from the Instant Application.
